Driven, results-oriented professional, obsessed with quality and the little details.

EXPERIENCE:

- | | |
|--|-------------|
| Project Manager | 2020 - 2021 |
| <i>Daylight Studio – website development and management</i> <i>Portland, OR</i> | |
| <ul style="list-style-type: none">• Lead full in-house team and contract partners as project manager for accounts spanning a myriad of unique industries.• Worked directly with client stakeholders to define business objectives and critical timelines, fully planning each project from start to finish.• Proactively managed deviations in scope or resources, drawing on experience to navigate when it is best to insist on more from studio resources, realign workloads with executive input or have a mutual dialogue with the client to provide results that deliver for all parties. | |
| Account Manager & Sales Specialist | 2018 - 2020 |
| <i>Tenrec, Inc. – website development and management</i> <i>Portland, OR</i> | |
| <ul style="list-style-type: none">• Managed multiple accounts as direct point-of-contact for clients' business websites, leading request intake and assignment as well as developing new business with existing contacts.• Oversaw website refreshes and full redesigns as acting project manager. Directed both domestic and international design and development teams while diligently managing budget, timing, and quality.• Lead company's exploratory marketing efforts, pushing consistent branding across multiple channels, and brainstorming new campaigns while reporting directly to the CEO. | |
| Project Manager | 2017 - 2018 |
| <i>Lotus United – brand design and manufacturing</i> <i>Seattle, WA</i> | |
| <ul style="list-style-type: none">• Directed internal and international engineering and production teams to interpret and translate client requests into high-impact displays that married seamlessly with brands' design language.• Salvaged strained client-relationships that were inherited as a result of the role's predecessor, both retaining existing accounts and taking on new work.• Collaborated with senior-level project manager in executing and maintaining a complex inventory and logistics system for one of the company's largest revenue accounts, filling custom orders to dozens of retail channels simultaneously. | |
| Agency Project Manager | 2013 - 2017 |
| <i>IDL Worldwide – experiential marketing firm</i> <i>Portland, OR</i> | |
| <ul style="list-style-type: none">• Led all domestic and worldwide graphic, fixture and installation projects as sole project manager for high-end consumer electronics account.• Drove exceptional quality on all deliverables and client experience by managing design, engineering, and logistics while ensuring all touch-points met clients' millimeter-tolerance quality expectations.• Worked side-by-side with account team to manage client expectations and education through daily communication with stakeholders, while consistently staying on time and on budget for projects totaling over \$5 million annually.• Spearheaded change-management responses to ensure project goals were met regardless of the nature or severity of the adjustment.• Assisted Account and Design teams with creative and brainstorming processes to ensure projects delivered brand and channel compliant assets that drove traffic, marketing vision, and public interest. | |
